 - 05 WH ITM “ITM Replace” procedure
 - 06 LX Support and LX HVAC Flash Support

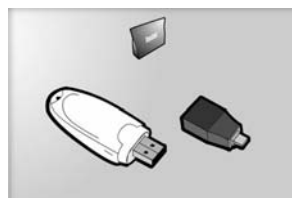

Updating Your StarSCAN

Be sure to update your StarSCANS using the CD-ROM and USB memory device. It is imperative that you keep the StarSCAN up to date with the latest vehicle changes. See the detailed instructions for

performing an update on the <http://www.dcctools.com> website.

Don't forget: The USB memory device shipped with the updated kit in October. If you need to order more USB memory

devices or USB adapters, you will find links to on-line stores in the updated instructions found on the <http://www.dcctools.com> website.
